

DAY IN DAVENPORT

Find Friends in Davenport.—Destitute and halfstarved, having traveled the entire distance from New Haven, Conn., to Davenport in a single wagon drawn by an aged horse whose days of usefulness were long since past, Mr. and Mrs. M. Rowsey and six children arrived in Davenport Monday night. The parents were weary from hunger and travel. The children were half starved and suffering from exposure. The strange outfit was brought to the attention of the Davenport police and the mother and five children were taken to the detention home for the night to be cared for. The father and oldest son, a lad of 15, spent the night in the wagon. Rowsey told a story of hardship and reverses that caused him to leave his home city, New Haven, and start with his little family on their westward journey. In search, he said, of a Jewish settlement where they could begin life all over again. They had but little money when they left New Haven, and with this they purchased provisions, the remnants of which, hardly fit to eat, were found in the wagon on their arrival here. Minneapolis is their journey's end, the man declared. Yesterday morning, after a good night's rest in warm beds and good substantial food, the family departed for the northwest. They had been given money by local people who were interested in the case.

Appointed Chief Clerk.—Thomas J. Madden, revising rate clerk in the local freight office of the C. M. & St. P. railway, has been appointed chief clerk in the commercial agent's office of the company, to succeed Oscar B. Nehls, recently resigned to go to California.

Licensed to Wed.—The following marriage licenses were issued yesterday: Moses Juber, Calamus, Iowa and

Catharina Van Borsum, Peoria, Ill.; Harvey L. Wiles, Des Moines and Elsie E. Rathmann, Walcott.

Davenport Prosperous.—There is more money in the Davenport city treasury at the present time than ever before in the history of the municipality; more than a half million dollars in all, the amount collected from the city taxes and from the \$100,000 bond issue recently made. This does not represent the total amount from the annual tax collection. There still remains to be collected something like \$75,000. The city was never in better financial condition than it is at the present time. The \$100,000 bond issue was necessary to cover the expenses incurred by the big Division street grading project, the city's portion of the expense of the thirteenth district sewer system, the cost of installing the new police call system, and outstanding sewer and grading certificates. The complaints on the city tax levy were fewer this year than ever before, according to City Treasurer W. G. Noth.

Putnam Returns from Europe.—E. K. Putnam returned Monday night from a three months' stay in Europe. Mr. Putnam visited practically all of the principal museums in England, France, Germany, Denmark and Sweden studying relics of pre-historic man found in Europe. While in England Mr. Putnam attended the meeting of the Museums Association of England at Hull and also the British Association for the Advancement of Sciences, held at Birmingham.

Turners to Give Concert.—The Singing society of the Northwest Davenport Turners will give a concert at the Northwest Davenport Turner hall, Saturday evening, October 11. A program consisting of chorus num-

bers and instrumental and vocal numbers, has been arranged for the occasion.

Verdict for Plaintiff.—A verdict in favor of the plaintiff for \$1,008.55 was returned by the jury Monday afternoon in the district court in the case of Leonard Schloppkohl against the C. R. L. & P. Railway company. Damages were for the repairs on the plaintiff's automobile and personal injuries sustained by him when his machine was struck by a Rock Island train near Durant. Judge C. M. Waterman and W. T. Waterman of the firm of Lane & Waterman appeared for the plaintiff. Cook & Balluff and George Bandler of Des Moines defended the railway company.

Charged With Robbery.—Information was filed yesterday afternoon against John Doyle charging him with robbery. The amount named is \$12.20. Doyle is alleged to have relieved Dominick Anese of the amount in Bettendorf some time ago. The man was placed under arrest several days ago and was being held pending an investigation of the charge. He had a preliminary hearing in police court this morning.

On Hunting Trip.—A party of Davenporters consisting of William Chamberlin, John Ballard, Dr. Herman Pape, Major Hof of the arsenal, James W. Bollinger, Dick Englehardt, Sam T. White and Dr. A. W. Elmer left last night for a hunting trip of several weeks in Nebraska. Practically the same men have made the annual trip for over a score of years. They will hunt ducks, grouse and prairie chicken. In Nebraska the party will be joined by S. F. Gilman and B. J. Wright of Neigh. H. H. Tredway of Dubuque will accompany the party.

Divorce Petitions.—Josephine J. Wehrlen, through her attorney, Alfred Parsons, filed yesterday petition for divorce against her husband, Edmund Wehrlen, alleging cruel and inhuman treatment. They were married at Crown Point, Ind., June 10, 1909. The plaintiff asks that her former name, Josephine J. Carpenter be restored to her. Petition for divorce was filed yesterday by Lena Wahlman against William Wahlman, alleging desertion as the grounds. They were married at Fort Dodge, Sept. 2, 1911, according to the petition filed by Attorneys Ruyman & Ruyman, and lived together until Oct. 6 of the same year.

Obituary Record.—Charles L. Tallman, well known contractor who has resided in Davenport for many years, suffered a paralytic stroke and died shortly afterward at his home, 1139 1/2 West Third street at noon yesterday. He was 65 years of age. He was preparing his dinner at the time the stroke came on him and when found by neighbors shortly afterward life was extinct. He is survived by one son, Edward Tallman, of the real estate firm of Heesch, Carstens & Tallman.

Gius Lensch, 76 years old, died Monday at the home of his daughter, Mrs. J. F. Schroeder, near Blue Grass after a lingering illness. Deceased was born at Borgstedt, bei Rendsburg, Holstein, Germany, in 1836, and came to this country and to Scott county in 1883, and has lived here since that time. Surviving are two sons, John Lensch of Laverne, Minn., and Peter Lensch of Durant, Iowa and two daughters, Mrs. J. F. Schroeder of Blue Grass and Mrs. Gust Juergens of Davenport. He is survived by four grandchildren. His wife preceded him in death 9 years ago. The funeral will be held from the home of J. F. Schroeder, tomorrow morning at 10 o'clock. Interment will be made in New Liberty cemetery.

Funeral services for the late Melvin Chester Case, who died Saturday afternoon at St. Luke's hospital from injuries sustained in a collision between a switch engine and auto a few hours previous, were held at 9:30 o'clock yesterday morning from the family home, 40 East Twelfth street, with interment in Oakdale cemetery. Services at both the home and at the grave were held under the auspices of the Switchmen's union, No. 123, one of the members reciting the burial ritual. The pallbearers were J. H. Glick, George Austin, G. Kincaid, P. G. Quinn, F. Perry and E. W. Weise.

THE BROWN BOTTLE BURLESQUE

Chicago, November 12, 1912.
To our Clients:—
Please take note that we have recently given our opinion to one of our clients as to the relative merits of the white and the brown bottle for beer, as follows:
"Referring to your recent request for our opinion on the relative merits of the white and the brown bottle for beer, we wish to say that the ONLY advantage of the brown bottle over the light bottle consists in the fact that the ONLY WHERE BEERS ARE NOT OF SUCH QUALITY AS TO BE IMMUNE, is where a HIGH DEGREE OF STABILITY, so that they are practically immune to such influences as prolonged chilling and prolonged storage at summer temperatures, they also become less sensitive to the influence of light, so that with the usual precautions no bad effect need be feared."
"FOR SUCH BEERS THE LIGHT BOTTLE IS PREFERABLY EMPLOYED, because it can more readily be inspected before filling to insure thorough cleanliness, and because the finished package reveals at a glance whether the contents meet the requirements of the consumer as to color, clarity and freedom from sedimentation."
"Yours very truly,
"WAHL-HENIUS INSTITUTE OF FERMENTOLOGY."

TRY NEWBRO'S HERPICIDE

It Removes Dandruff—Saves the Hair

Dandruff is what starts most of the hair troubles. It stunts the growth of the hair, deprives it of life and causes it to fall out.

Loss of hair and final baldness, frequently considered inevitable, can both be prevented. Newbro's Herpicide will do it.

To successfully eradicate dandruff, the germ that causes it must be destroyed. Newbro's Herpicide is the first and original remedy compounded in harmony with the germ theory of dandruff. That Herpicide is a success in cases of dandruff and falling hair is evidenced by thousands who use it daily. Not only must the accumulation of scurf skin be checked, but the tiny microbic growth, which is the worst enemy to good hair, must be totally exterminated.

The increased life and luster of the hair and the desire for clean, healthy scalp always justifies the intelligent use of this valuable scalp prophylac-

tic. The first application is enough to convince you of its value. Herpicide imparts a feeling of cleanliness, is very cooling to the scalp and stops the itching almost instantly. Being free from oil and grease and possessing a delicate and exquisite odor, Herpicide is a delight to ladies of refinement. It does not change the color of the hair a particle.

Give it a trial. The Herpicide Co., Dept. S, Detroit, Mich., will send a sample bottle of Herpicide to any address upon receipt of 10 cents in postage or silver to cover the cost of packing and mailing.

Newbro's Herpicide is sold at all toilet goods counters in 50 cent and \$1.00 sizes. Your dealer will guarantee it to do as claimed or refund your money.

Applications obtained at the better barber shops and hair dressing parlors.

CHICAGO TEACHER IS BEST DRESSED IN AMERICA, SAYS MRS. ELLA FLAGG YOUNG

Since instruction in art became part of the curriculum of the Chicago public schools, the school teachers of that city have become the best dressed teachers in the country. At least Mrs. Ella Flagg Young, Chicago superintendent of schools and a country-wide school traveler, thinks so.

"It is entirely due to the study of

Typically dressed Chicago school teacher.

art in the schools," said Mrs. Young. "The careful matching of colors in dressing has been acquired by the children and by the mothers of the children. Formerly mothers gave im-

possible colors to their children to sew into dresses, but now the children are taught the matching of colors from kindergarten up, and they teach the parents."
